**DDTC is proud to invite you to another IT Modernization Chat!**

**DECCS Release #2**

**Date: Thursday, February 23, 2017**

**11:30am -12:30pm (Eastern)**

## Overview

You are cordially invited to attend a webinar discussing DECCS release #2 of the **Defense Export Control Compliance System (DECCS)**. The webinar will provide a review of what will be in release #2, what progress has been made, where we are going and our timeline through September 2017. We will also answer any questions from Industry regarding DECCS release #2.

## Moderator

- Karen Wrege, CIO of DDTC

## Webinar Details

No advance registration is necessary. To join the webinar, go to <https://irmedip.adobeconnect.com/chatwsme/>

- Enter your **Name, Company, and Number** of participants (if viewing as a group)
- Select “Enter Room”

***Note:** The webinar will allow for 100 participants. If you are unable to join the webinar session but would like to join via the conference line:*

**Domestic Participants** Toll Free Number: 877-336-1829; Access Code: 730 7668

**Overseas Participants** International Number: 636 651 0002; Access Code: 730 7668

**If choosing to dial into the conference line, please mute your computer speakers and turn off your computer microphone to minimize audio feedback.**

The webinar is designed to be an interactive forum for DDTC to share its plans and progress in preparing DECCS for industry use. Questions may be addressed via email to the PM/DDTC Special Projects Team:
